

# LONG TERM CARE WELL-BEING GRANT

## THE GRANT

A grant program to offer organizational support aimed at improving the workplace environments, structures, and policies where nurses and their support staff practice.

## THE DETAILS

OCN will award grants of up to **\$50,000 to ten qualified long term care setting applicants.**

Ideal projects will use funds to address the root cause of a specific well-being challenge within the long term care work environment identified through a nurse's lens. We encourage a variety of regions and long term care settings to apply.

## ELIGIBILITY

Eligibility is limited to Oregon nurse-employing organizations whose projects benefit their nurses and support staff in long-term care practice settings.
