Want to get a scholarship for your Masters in Education degree?

The Oregon Nursing Education Academy has an additional program:

- Scholarship to enter and complete the Oregon Health and Science University's online Master's in Nursing Education program.
- Program Starts September 2024

The purpose of Oregon Nursing Education Academy is to recruit, retain, and educate nurses in Oregon and in Health and Human Services Region 10 (Washington, Idaho, Alaska) to serve as clinical nurse faculty and preceptors to increase the nursing workforce and improve health equity.
